*month*

*Code of the Settlement*

THANK YOU FOR PARTICIPATION

### Rules for filling in the Diary

1. It is kindly asked to fill in the diary on daily basis.
2. the Diary should comprise the information on those commodities, which are used in the households. Those commodities, which are used in entrepreneurship or agricultural enterprises, should not be registered in the diary.
3. The information on the expenditures and income should concern all the members of the household.
4. All types of procured food products should be recorded in Table X.1 every day. In Table X.2 all types of the consumed food products shall be recorded, independent of the fact whether the goods were procured, produced in the farms or received free of charge. In Tables X.1 and X.2 all food products except eggs should be given in “kg” or “liters” (e.g. bread, fish, beverages, confectionery, etc). The measurement unit for eggs should be in “pieces”.
5. In Table X.3 the information on the consumption of food in restaurants, cafes, and other public catering places should be included.
6. The costs of all chargeable services and procured industrial goods should be mentioned in Table X.4, the quantity of tobacco should be mentioned in boxes.
7. The information on any non-food product or service received free of charge should be given in Table X.5, including its cost.
8. The information for Table Y.1 should be recorded on the day the income was recieved.
9. Those types of the food products that are daily consumed in little quantities (salt, pepper, coffee, etc.) should be recorded by the end of the surveyed month in table Z.2.
10. The rarely procured commodities (furniture, television, etc.) should be recorded by the end of the surveyed month in Table Z.3.
11. **For the Interviewer:** It is required to fill in the Table Z.4 by the end of the surveyed month for the quantity of days that the members of the households were absent.

**DAY 1**

**Date: day \_\_\_\_\_ month \_\_\_\_\_ 2005**

**SECTION X.**

*For the daily notes*

## Section Z. Fill in at the end of the month

**Z.1. Were you or any member of your household eligible to receive salary, pension or any social benefit, that you have not received during the month?**

1. yes
2. no

**Z.2. If yes, list the type of salary, pension or benefit which you usually receive and its monthly amount in drams.**

**Table Z.1.**

ID number of household member	Type of income 1. salary 2. pension or benefits 3. other (stipendium, etc.)	Monthly amount in drams	For how long was the payment delayed? 1. less than one month 2. 2 months 3. 3 months 4. 4 months 5. 5 months 6. 6 months 7. 7 months and more
1	2	3	4

## Food which is usually consumed daily in little quantity

*Bellow is the list of food products usually consumed in small quantities during a day. Please, do not include them in the diary, but indicate in this table how much the family has consumed during the surveyed month.*

**Table Z.2.**

N	Item	Measurement unit	Consumed per month
1	salt	kg	
2	pepper	gram	
3	coffee	kg	
4	vinegar	liter	
5	spices	gram	
6	cocoa	gram	
7	mustard	gram	
8	tea	gram	
9	bouillon cubes	units	

## List of real estate, durable goods and ritual services

*The following list includes real estate and durable goods. Please, do not include them in the diary, but record in this table if you bought any of them during the past 12 months. If not, indicate if they have been available in the household. If a wedding, funeral or other ritual has taken place in the household during the last 12 months (for example: epiphany), then in the column 1 of Table Z.3 indicate code 3, and in the columns 2 and 3 indicate your expenses.*

**Table Z.3.**

N	Item	Indicate if bought during past 12 months	Price of the purchased good and service	Currency	If has not been bought during past 12 months, was it available in the household?	If yes, how long are in use?	For how much would you sell the goods (according to current market prices)	Currency
