

HOUSEHOLD ROSTER – Round 3

Village:	Household ID:	Date of Interview:
----------	---------------	--------------------

Instructions

- The questionnaire should be administered to the primary female respondent.
- There are two sections that must be completed in round 3.
- Section 3 lists all new household members.
- Section 4 lists all previous household members who are no longer alive or have moved away.
- Please refer directly to Household Roster Sections 1 and 2 from Round 1 and Sections 3 and 4 from Round 2
- **You should complete the new sections by discussing each person in round 2 with the respondent**
- do not change anything in Section 1 and 2

 New Sections for Round 3

Section 3. New Household Members

Recall that household members are defined as people who regularly reside together and take their meals together. This section records all individuals who have joined the household since the round 2 interview – i.e. newborn children, long-term visitors, etc. Do not list individuals who are just visiting or staying in the household for a short period of time.

Section 4. Deceased or Absent Household Members

This section records all household members from round 2 who have either left the household for an extended period of time or have died since the round 2 interview.

Notes on changes in household structure
