Food and Agriculture Organization of the United Nations

Household Questionnaire:
Supporting livelihoods in refugee-hosting districts of Uganda

December 2019

Date:

Introductory Statement Informed consent

I am _____working jointly for FAO carrying out this survey for to help us understand important pieces of information about the lives of people in this community especially with regards to socio-economic activities. The information we will collect will be kept confidential and is for research purposes only. The results will be shared with the community once the final report is written. Please do your best to be honest in your answers. Taking part in this interview or the answers that you give does not affect whether you will (or will not) receive any benefits from the organisations now or in the future. The interview will take approximately 1.5 hours. If this is acceptable to you then may we begin the interview?

Please tick   **Yes** ☐   **No** ☐

SECTION A

HH details		A0. Questionnaire Number	*[To be provided]*		*A3. Subcounty*	
		A1. Country	1- UG		A4. Parish-Level	
		A2. District			*A5. Name Village (to be typed) village*	

A6a. Sample type	1= Refugee 2= Uganda national						
A6b. ProGres HH Registration Number							
A6c. Interviewer Name		A6d. Interviewer code:					
A7. Date of interview (DD/MM/YY)							
A8. Respondent Name:		A9. Sex of respondent: 1 – Male 2 - Female			A10. Respondent phone number:		

A11. Other information that can be useful in identifying the HH e.g near Jamia mosque		Main livelihood of the household:						
		Pastoralist	Agro-pastoral	Riverine	Fishing	Urban/Petty trade/Formal employment	Crop Farmer	Other
GPS location of the HH								

SECTION B: Household Demographics

All Household Members beginning with household head (the person responsible for day to day decision making)

B1	B2	B3	B4	B5	B6	B7	B8	B9	B10	B11	B12	B13	B14	B15a	B15b
ID CODE	Name Surname and First Name	[Name]'s relationship to the household head	[Name]'s Age	[Name] Sex 1 - Male 2 - Female	[Name]'s Marital Status 1 - Married 2 - Divorced 3 - Separated 4 - Widow/er 5 - Unmarried	[Name]'s highest Level of Education 1 - Never been to school 2 - Primary School incomplete 3-Primary School Complete 4.-Secondary school Incomplete 5 - Secondary school Complete 6 -Tertiary School incomplete 7 -Tertiary School Complete 8- University incomplete 9- University complete	How many years has [Name] attended formal school?	Can [Name] read? 0. No 1. Yes	Can [Name] write? 0. No 1. Yes	Is [Name] Chronically ill 1 - Yes 2 – No	Is [Name] orphaned? 1 - Yes 2 – No	What is [Name] Disability status 1 – fully able 2 – has some disability	What is [Name] main economic activity 1 - Farming 2 - Vegetable Gardening 3 - Livestock rearing 4 - Poultry keeping 5 - Fishing 6 - Pension 7 - Remittance 8 - Formal Employment 9 - Business 10 - Casual employment 11 - Cross border trading 12 - other	What type of phone does [Name] own? 1. Smartphone 2. Feature Phone 3. Not applicable	Which is [Name]'s telephone number?

	To be asked to refugee and host population		To be asked only to refugee population										
B1	B16	B17	B18	B19	B20	B21	B22	B23	B24	B25	B26	B27	B28
ID CODE	How many months has [NAME] lived in this village /town / city / settlement after your last movement? **[999 IF THE RESPONDENT HAS ALWAYS LIVED HERE]** **[IF MORE THAN ONE YEAR CONVERT IN MONTHS]**	In which country was [NAME] born? 1= Uganda 2= South Sudan 3= DRC 4= Burundi 5= Other [Specify	Does [NAME] have any relative still living in the country of origin? 1=Yes>>B19 0=No 998=Don't know 999=Refused	Any of your relatives plan to migrate to Uganda in the next 12 months? 1= Yes>>B20 0 = No 998 = Don't know 999 = Refuse	How many?	Would [NAME] like to go back to the country of origin? 0=No 1=Yes 998=Don't know 997=Not yet decided 999=Refused	Have you travelled to a city/urban areas in Uganda for employment/work in the past year? 1 = Yes 2 = No	If yes, how often in the past year? 1 = once 2 = more than once	Please state the month/s in which you travelled to a city/urban area for work.	Have you travelled to your country of origin for the purpose of agricultural activities in the past year? 1 = Yes 2 = No	If yes, why? 1= crop production 2=livestock activity 3= other (specify)	If yes, how often? 1 = once a year 2 = more than once. Please state the month/s in which you travelled to your origin country for agricultural activities.	ProGres Individual Registration Number

Section C: Household Assets Assessment

C5. How many of the following items does your household own? [Insert 0 if none]

Hoe	Axe	Spraying machine	Shovel	Pick-Axe	Sickle	Rake	Cart	Tractor	Conventional Yoke	Ox Plough	Slasher	Pruning knife/knife	Wheelbarrow	Tractor	Panga	Water Pump

C6. How many of the following items does your household own? [Insert 0 if none]

Cell phone	Radio	Car	TV	Motor cycle	Bicycle	Solar panel	Jerry cans	Fridge	Generator	Cooker/stove (Electric/Gas)	Iron box /pressing	Computer/Laptop	Tables	Chairs/Stools/Benches	Bed	Mattresses	Mosquito net

C7. What is the total arable land area at your homestead (both owned or rented) (specify units in acres) [Household land]?................................

C8. How much of this land are you currently using for agriculture (specify units e.g. acres)..............................

Who in the households controls and makes MOST decisions regarding the agricultural land owned? List of household members from roster

Section D: Household access to services

<u>**Average Distance to facilities**</u>

D1. How far (one way) is this dwelling from the closest accessible / functioning _____? **[999 NOT APPLICABLE]** **[INDICATE TIME IN KM FOR ONE WAY JOURNEY]** **[DO NOT PUT A ZERO (0)]**	D1.1 Primary school_____ D1.2. Secondary school_____ D1.3. Public/Private health facility [Smaller and less equipped compared to a Hospital] /hospital D1.4. Police post/station_____ D1.5. Church/Mosque_____ D1.6. Agricultural Market_____ D1.7. LivestockMarket_____ D1.8 Petty trading market _____ D1.9. Agric/Extension services office D1.10. Government office where you get weather/climate information D1.11. Financial services/Bank/ Money Transfer Point D1.12. Public means of transport_____ D1.13. Nearest Local Government office_____	D2. What is the main type of toilet facility used by this household? 1= Covered pit latrine private 2= Covered pit latrine shared 3= Ventilated Improved Pit (VIP) latrine private 4= VIP latrine shared 5= Uncovered pit latrine 6= Flush toilet private 7= Flush toilet shared 8= Bush 9. Dig and Burn 10. Mobile / portable toilets for refugee settlements 11. Other (specify)

D3. What is the **primary** source of drinking water for members of your household? [Use the codes below]		D4. What is the secondary source of drinking water for members of your household? [Use the codes below]	
1. Piped (dwelling); 2. Piped public tap; 3. Protected Shallow well; 4. Borehole; 5. Protected Spring 6. Roof rain water 7. Unprotected spring 8. Tanker /Truck water; 9. River/stream 10. Dam/pond/pan/lake 11. Water vendor 12. Unprotected /open shallow well 13. Other (specify)			

D5. How long does it take you to go to and return from the primary source of water (mark 0 if in-house?) _____ minutes. [Convert all into minutes]

D6. Who is MAINLY is/are responsible for collecting this water in the household?

      [1] Male household head (Male heading the household)
      [2] Female household head (Woman heading the household)
      [3] Both (Household head and spouse)
      [4] Children
      [5] Other male(s) within the household
      [6] Other female(s) within the household
      [7] Jointly by male(s) and female(s) within the household
      [8] Other male(s) outside the household
      [9] Other female(s) outside the household
      [10] Jointly by male(s) and female(s) outside the household

Section E: Household expenditure and loans

Expenditure Patterns (local currency)

Expenditure item:	Health care	Education & school fees	Clothing	Household furniture	Kitchen utensils	Farm inputs:					
						Seeds	Chemical fertilizers	Organic fertilizers	pesticides/ herbicides	Implements or tools	Hired labour
E4. Expenditure on this item in the last 12 months [Local Currency]											
E5. From who did you buy most of [ITEM]?											
E6. Where did you buy most of [ITEM]?											

Expenditure item:	Livestock inputs:				Livestock purchase	Hiring tools/Equipment	Business or other non-agricultural inputs	other (specify)
	Fodder	Manufactured feeds/salts	Vet services	Hired labour				
E4. Expenditure on this item in the last 12 months [Local Currency]								
E5. From who did you buy most of [ITEM]?								
E6. Where did you buy most of [ITEM]?								

E7. Did your household have access to any credit in the last 12 months? (0= No, could not got access >> H4c. 1= No, but I could get access if needed 2= Yes)

E8. What was the total amount of loan(s) received in the last month?

E9. If the household still owe money for any loan contracted before the last month, what is the total amount of the loan(s)?

Section F(1): Household Crop production details

F1. Did you grow any crops during the last 12 months? 1- Yes   0- No
F2. How many crop types did you grow in last 12 months? _____
[Enumerators should be guided on conversion of local land measurement to acres]

	Crop type	F3. Average land area for this crop (specify units e.g. acres)	F4. Total production for this crop in kg's	F5. Quantity sold for this crop (kg's)	F6. What was the unit price of this crop	F7. What was the total value earned from [CROP] sold?[TOTAL VALUE IN UGX]	F8. To whom did you sell most of [CROP]? 1=other refugee hhs; 2= native hhs; 3= trader; 4=other (specify) [MULTIPLE ANSWER: REPORT %]	F9. Where did you sell most of [CROP]? 1= here; 2= neighbour village; 3= closest town; 4=trade centers; 5=itinerant trader; 6=other	F10. For how many months own food crop production lasts in feeding the hh?

Section F(2): Household Vegetables production details

F11. Did you grow any vegetables during the last 12 months? 1- Yes   0- No
F12. How many vegetable types did you grow in last 12 months? _____
[Enumerators should be guided on conversion of local land measurement to acres]

	Vegetable type	F13. Average land area for this vegetable (specify units e.g. acres)	F14. Total production for this vegetable in kg's	F15. Quantity sold for this vegetable (kg's)	F16. What was the unit price of this vegetable	F17. What was the total value earned from [Vegetable] sold?[TOTAL VALUE IN UGX]	F18. To whom did you sell most of [Vegetable]? 1=other refugee hhs; 2= native hhs; 3= trader; 4=other (specify) [MULTIPLE ANSWER: REPORT %]	F19. Where did you sell most of [Vegetable]? 1= here; 2= neighbour village; 3= closest town; 4=trade centers; 5=itinerant trader; 6=other	F20. For how many months own food vegetable production lasts in feeding the hh?

Section F(3): Tree-based production for the last year (January 2019 – December 2019)

F21.Did you grow or use / manage any Trees during the whole year in 2019? 1- Yes   0- No

F22. How many Trees did you grow or use / manage in the whole year 2019? _____

Trees production details

F23. Tree type (list all major tree types/fruits grown or use / manage by the household) (Refer to tree list)	F24. Source of the tree: 1= own production/cultivated 2= wild collected	F25. Average land area for this tree (specify units)	F26. Which part of the tree is used? 1=fruits 2= bark 3=seeds 4= timber 5=other (specify)	F27. Which is the percentage use of the tree? 1=Food 2= Medicine 3=Cultural 4= Sale 5 =Other (specify)	F28. Total production from this tree for the whole year in kg's	F29. Quantity of this crop sold for the whole year 2019 (kg's)	F30. What was the unit price of this tree?

Section N: Livestock and fishing

	N2	N3	N4	N5	N6	N7
#	Type	How many [LIVESTOCK] (at your farm or away) are owned by your household now?	How many [LIVESTOCK] did you sell in the last 12 months?	What was the amount received from sale of [LIVESTOCK]	To whom did you sell most of [LIVESTOCK) 1=other refugee hhs; 2= native hhs; 3= trader; 4=other **[MULTIPLE ANSWER:REPORT %]**	Where did you sell most of [LIVESTOCK]? 1= here; 2= neighbour village; 3= closest town; 4=trade centres; 5=itinerant trader; 6=other
A	Cows/Calves					
B	Goats					
C	Sheep					
D	Donkeys					
E	Poultry					
F	Colonized Beehive					
G	Other Specify					

LIVESTOCK PRODUCTS

N8. Has the household reported livestock production in the last 12 months?
0= No >> N17
1=Yes >>N14

		N9	N10	N11	N12	N13	N14
		PRODUCT CODES	If you sold any of the product how much of the [PRODUCT] produced was sold in the last month? [IF NOTHING, RECORD ZERO FOR "QUANTITY"]	What was the total value of sales of [PRODUCT] in the last month? ESTIMATE THE VALUE OF IN-KIND PAYMENTS.	What was the total value of sales of [PRODUCT] in the last 12 months? ESTIMATE THE VALUE OF IN-KIND PAYMENTS.	To whom did you sell most of [PRODUCT]? 1=other refugee hhs; 2= native hhs; 3= trader; 4=other	Where did you sell most of [PRODUCT]? 1= here; 2= neighbour village; 3= closest town; 4=trade centers; 5=itinerant trader; 6=other
			KGs	UGX	UGX	[MULTIPLE ANSWER: REPORT %]	
1							
2							
3							

FISHING	
N20. Have you or any member of your household been involved in any fishing activity, for your household, in the last 12 months?	
N21. How much fish have you sold during the last 12 months?	
N22. What was the total value earned from the fish sold?	
N23. To whom did you sell most of fish? 1= refugee; 2= native; 3= trader; 4=other (specify)	
N24. Where did you sell most of fish? 1= here; 2= neighbour village; 3= closest town; 4=trade centers; 5=itinerant trader; 6=other (specify)	

Section G: Food consumption patterns

#	Has your household consumed any of the following foods in the last seven days? [Indicate the number of days each of the foods have been consumed, also indicating the primary source]	G1a. Did you or anyone in the household consume this food group in the last 7 days ?	G1b. Days eaten in the past seven days (Put '0' if any of the food groups was not eaten in the last seven days)	G1c. Quantity consumed in the past 7 days [KG]	G1d. Primary Source of the main food in this food group (CODE from list)	G1e. What is the amount spent for purchasing on cash/credit for [FOOD GROUP] consumed in the past 30 days?	G1f. From who did you buy most of the food? 1=other refugee hhs; 2= native hhs; 3= trader; 4=other [MULTIPLE ANSWER: REPORT %]	G1g. Where did you buy most of the food? 1= here; 2= neighbour village; 3= closest town; 4=trade centres; 5=itinerant trader; 6=other
1	Cereals: Maize, maize flour, wheat flour, rice, pasta, bread and other cereals							
2	White tubers and roots: Cassava, potatoes, sweet potatoes, banana plantain, tubers and other root crops							
3	Pulses/legumes, seeds & nuts: Bean, peas, groundnuts, cashew nuts, and other pulses							
4.1	Orange Vegetables (vitamin A rich): carrot, pumpkin, orange sweet potato, red pepper							
4.2	Green leafy vegetables (iron rich): spinach, cassava leaves, Sukuma wiki							
4.3	Other vegetables: tomatoes, onions, cucumber, green beans, peas, lettuce							
5.1	Orange fruits (vitamin A rich): mango, papaya,							
5.2	Other fruits : banana, apple, lemon, sheanuts, balanites, etc							
6.1	Beef, goat, pork, chicken, donkey or camel meat							
6.2	Liver, kidney, heart and other organ meats							
6.3	Insects (termites, grasshoppers, crickets, others)							
7	Fish: shellfish, tinned tuna, seafood, tilapia, omena							
8	Eggs							
9	Milk, mala, yoghurt, cheese							
10	Sugar and sugar products							
11	Oils (sheanuts, balanites), fat and butter							
12	Condiments/alcohol: coffee, tea, salt, garlic, spices, sauces including small amounts of fish, meat, milk							
		Key: list of codes for main sources of food						
		1=own farm production 2=hunting/gathering/fishing 5= gift 8=barter 10=did not consume 3=casual labour 6=purchased 9=credit/loan 4=borrowed 7=food aid						

G. Coping Strategies

	(Repeat the introductory phrase for each of the coping strategies below): G2. In the past 7 days, if there have been times when you did not have enough food or money to buy food, how often has your household had to:	Raw Score (Frequency) [Indicate values 0-7]
1	Rely on less preferred or less expensive food	
2	Purchase food on credit	
3	Borrow food, or rely on help from a relative/community	
4	Gather wild foods, "famine foods" or hunt	
5	Harvest and consume immature crops	
6	Consume seed stock that will be needed for next season	
7	Send household member elsewhere	
8	Limit portion size at meal time	
9	Reduce consumption by adults in order for small children to eat	
10	Reduce consumption by others so working members could eat	
11	Go one entire day without eating	
12	Reduce the number of meals in a day	
13	Beg for food	
14	Sell natural resources products (water, charcoal, firewood, etc.)	
15	Enrollment of children to schools which provide meals	
16	Sell (small) assets	
17	Bartering	
18	Food for work (exchange labour for food)	

Section H: Participation in Social Networks, Trainings and Enterprises

Social networks	H1. Any members of your household belong to, participate, or is anyhow part of [Social Network]? 1-Yes 0- No
1. Community based organizations	
2. Self Help Group	
3. Cooperative society	
4. Savings Group [VICOBA, Merry-go round, etc.]	
5. Farmer field schools	
6. Marketing Association	
7. Water Users Association	
8. Youth Group	
9. Church/Mosque group [not just attendance to these]	
10. Others, specify	

Training H2. Did ANYONE in this household receive training in any of the following topics in the last 12 months? Select all that apply: 1. Yes 0. No		H3. Who provided the training? [CODES BELOW]	H4. For how long have you received the training? [REPORT NUMBER OF DAYS]
1.How to prevent or deal with Disasters (drought, floods, rapid disease outbreak)			
2. Use and access to climate and weather information			
3.Management of Natural resources (water, pasture, forests etc)			
4.Good agricultural practices (Soil fertility, Crop and seed selection, pest and disease control, water use/Irrigation, crop diversification and agroforestry)			
5.Climate Smart Agriculture (water conservation/harvesting, drought tolerant crop varieties, intercropping, minimal tillage,			
6.Crop pest and disease control and food safety (use of pesticides, Fall Armyworm control, aflatoxin prevention),			
7.Business and marketing skills			
8.Agribusiness and value addition			
9.Livestock management (feeding, management)			
10.Animal health (Vaccination, treatment)			
11.Financial literacy			
12. Training to support the establishment of a livelihood group (group cohesion around a constitution or term of reference)			
13.Vocational trainings			
14.Other (Specify)			

	Trainings' implementer code

Section X: Assistance and transfers

Formal assistance and transfers from Government, UN, etc.

X1. Have the members of your household received any formal assistance during the last 12 months? 1=Yes>>X2 0 =No >>X7	X2. Have the members of your household received {ASSISTANCE TYPE} during the last 12 months? 1=Yes 0 =No	X3. What is the total amount of {ASSISTANCE TYPE} received in total in the last 12 months from by the members of your household? [UGX]	X4. What is the total amount of {ASSISTANCE TYPE} received in total in the last month from by the members of your household? [UGX]	X5. Who provided the {ASSISTANCE TYPE} received? 1= UN (FAO, WFP, UNHCR) 2=Government of Uganda 3=NGOs 4=Others (Specify)	X6. If you remember, could you specify the name of the institutions that provided to you the {ASSISTANCE TYPE}?	X7. When the {ASSISTANCE TYPE} started? [REPORT YEAR]
	Cash assistance					
	Cash for work					
	Relief food/food aid					
	Food for work					
	Seeds and tools					
	Livestock					
	Pension					

Formal transfers to and from relatives and friends

X8. Have the members of your household received informal assistance in the last 12 months? 1=Yes>>X8 0 =No>>X12 module	X9. What is the total amount of informal assistance received in the last 12 months from by the members of your household? [UGX]	X10. What is the total amount of informal assistance received in the last month from by the members of your household? [UGX]	X11. From where did you mainly received informal assistance? 1= here; 2= neighbor village; 3= closest town; 4=trade centers; 5=other	X12. Have the members of your household provided informal assistance in the last 12 months? 1=Yes>>X13 0 =No>>Next module	X13. What is the total amount of informal assistance provided in the last 12 months from your household to relatives and friends? [UGX]	X14. What is the total amount of informal assistance provided in the last 12 months from your household to relatives and friends? [UGX]	X15. Where did you mainly send informal assistance? 1= here; 2= neighbor village; 3= closest town; 4=trade centers; 5=other

Section S: Social cohesion

To be asked to all refugee and host households							
S1. Compared with one year ago, has your relationship with other groups in your community: 1=Improved a lot 2 = Improved a little 3= Stayed the same 4= Worsened 5 = Significantly worsened 998= Don't know 999 = Refuse to answer	S2. How would you describe your actual relationship with other groups in your community? 1=Very good 2=Good 3= Neither good nor bad 4=Bad 5= Very bad 998=Don't know 999= Refuse to answer	S3. How often do you interact (work, personal life, family, friends, etc.) with other groups in your community? 1 = Very often 2 = Often 3 = Occasionally 4 = Rarely 5 = Never 998= Don't know 999 = Refuse to answer	S4.In general, how comfortable are you with interacting with other groups 1 = Extremely comfortable 2 = A lot 3 =Moderately 4 = Little 5 = Not at all 998= Don't know 999 = Refuse to answer	S5. How often do you interact with refugee/Ugandan businesses or vendors in your area? 1 = Very often 2 = Often 3 = Occasionally 4 = Rarely 5 = Never 998= don't know 999 = refuse to answer	S6. If answered rarely or never, please state the reason why	S7. In general, how much do you trust the other groups? 1=A lot 2=Moderately 3=Little 4=Not at all 998=Don't know 999 = Refuse to answer	S8. Based on your experiences living here, how much do feel you belong to / be part of this community/ in Uganda? 1 = A lot 2 = A little 3 = Not much 4 = Not at all 998= Don't know 999 = Refuse to answer

Section J: Shocks and hazards

Weather related shocks and hazards	J1. In the last 12 months, have you or any of your household members experienced [SHOCK]? 0. No 1. Yes	J2. How would you rank the impact of the shock to the household based on the following four categories: 1= Least severe 2= Moderate 3= Severe 4= Very severe
Flash flood		
Flooding		
Drought/ dry spells – water shortage for crops and livestock		
Frost		
Hail		
Strong winds?		
Crop diseases & pests		
Livestock diseases & pests		
High food prices		
High input prices (e.g. seeds)		
Severe water shortage - for domestic use		
Crop failure		
Livestock death		
Storm		
Crop damage when stored Land slide		

Section I: Adoption of new technologies, improved farming practices & climate adaptation practices

I.   Did your household implement any of the following [adaptation measures] in the last 12 months?

Adaptation measure	Yes	No	Not applicable
I1. Crop Production			
Using high quality seeds/planting materials of adapted varieties			
Crop diversification			
Organic crop farming			
Modification of cropping calendar			
CA practice – Mulching (covering the soil with crop residues)			
CA practice - Cover cropping/ green manuring			
CA practice - Crop rotations and associations (intercropping)			
CA practice - Minimum tillage / Minimum soil disturbance/ direct seeding / reduced or improved ploughing			
Water and irrigation management measures (introduction of new and/or improved irrigation methods, introduction of infield water conservation measures)			
Integrated Pest and Disease Management (IPDM)			
Integrated Weed management			
Nutrient and soil management practices that reduce fertilizer use (microdosing, XX)			
Agroforestry – Nitrogen fixing and shade trees (tree planting in or around farms)			
I2. Livestock Production			
Improving local livestock genetics through cross-breeding or buy and rear any cross-bred / improved breeds of livestock			
Change the type of livestock that you keep e.g do away with cattle and retaining goats only			
Intensification of pasture production to improve quality and quantity			
Rotational grazing			
Using livestock feed supplements			
Enhanced animal health management (increase in the emergence of gastro-intestinal parasites may occur due to climate change)			
Infrastructure adaptation measures (e.g. improved housing, shade trees to reduce heat stress on livestock)			
Planting of fodder trees and legumes			

I3. Fisheries and Aquaculture			
Changing the species/Introducing new species			
Genetic improvement to enhance resilience			
Better feed management			
Use indigenous or non-reproducing stocks to minimize biodiversity impacts			
I4. Integrated or off-farm practices			
Area closure/ Fallowing			
Livelihood diversification (e.g. apiculture, aquaculture)			
Water harvesting for crops and livestock (off field)			
Improved post-harvest storage facilities for crop and livestock products			
Farm residue management e.g. use of manure, composting._____			
Use of indigenous/traditional knowledge to manage climate risks			
Use of (scientific) meteorological data and information to manage risks			
Improving farm siting, layout and design			
Taken crop or livestock insurance			
Other (elaborate)…………………………………………………..			

SECTION K: Weather and climate change

K1. Do you receive any scientific weather information or forecasts? 0-No 1. Yes

K2. How do you use weather and climate information (tick one only)?

For making agricultural decisions	Just for information ☐	I don't use it ☐	Other (Specify)................. ☐

K3. In your view, is that weather information is useful for you in your livelihood? 1. Yes 0. No   If yes, describe how

....

K4. Do you experience any problems with access to weather information in your community? 0. No 1. Yes 2. Do not know

K5. If yes, what are the main problems? (Tick each applicable)

Information comes too late ☐	Information is too complicated ☐	Information is not relevant to our needs ☐	No one is available to explain the information to us	Information is not practical ☐	Forecast needs interpretation into local languages ☐	Other (Specify).............. ☐

K6. What weather information would you want to help you in your activities (tick each applicable)?

Onset of the rains ☐ Lighting warnings ☐	Total rainfall quantity in the season ☐	Length of growing period within a season ☐	rainfall distribution within a season (wet/dry spells) ☐	Information whether there will be drought or floods ☐	Practical information on farming strategies ☐	Other 1 (Specify)....... ☐

K7. Which actors do you think is best suited to give you information on weather and climate? (Tick one only)

Meteorological services department ☐	Government extension service ☐	NGO's ☐	Local leaders ☐	Other (Specify)........... ☐

SECTION L: Climate change

L1. Did you do anything to adjust your livelihoods to changes in weather and climate? 0. No   1. Yes

L2. If yes, what do you do to adjust your livelihoods to the weather or changing climate (tick each applicable)?

Adjust planting date ☐	Adjust the crop type and variety ☐	Sell livestock ☐	Sell other assets ☐	Diversify livelihoods ☐	Other (Specify) .... ☐

L3. What do you think should be done to improve your household's ability to withstand changes in weather and climate (tick each applicable)?

Invest in water harvesting for crops and livestock ☐	Improve information dissemination on weather and climate ☐	Invest in drought resistant crops or new seed varieties ☐	Capacitate producers ☐	Diversify farm livelihoods ☐	Other (Specify).......... ☐
Invest in drought resistant livestock breeds ☐	Conduct value addition ☐	Invest in off farm employment ☐	Improve natural resources management ☐	Plant more trees ☐	Other (Specify).......... ☐

END
Thank you for your time and the information you have provided.
